```c
#include <stdio.h>

int main() {
    // Print the user's details
    printf("Name: John Doe\n");
    printf("Date of Birth: January 1, 1990\n");
    printf("Mobile Number: +1-234-567-8901\n");

    return 0;
}
```
